Dear Customer

We thank you for your enquiry and have pleasure in submitting the following quotation:

6050FS - MOH JULY

All prices are based on the current list price. Any variation of our prices after the expiry date of this quote will be for your account. Should warranty repairs be required, parts and labour will be provided free of charge during normal working hours at Barloworld Equipment's premises or at any other authorized premises. The warrantor shall retain the right to install new or repaired parts.

In the event of it being necessary to dismantle any equipment in order to compile a quotation, the following conditions shall apply:

1. Barloworld Equipment will dismantle the equipment to such an extent it deems necessary in order to prepare the quotation.
2. The Customer shall be liable for the cost of the dismantling of the equipment at the labour charge-out rate.
3. Should the quotation not be accepted, the Customer shall accept the component loosely assembled without seals, locks, gaskets and shall collect the components as soon as possible after notification by Barloworld Equipment.
4. All non-Caterpillar parts and parts reused, as per customer request, will not be covered by the warranty.

Barloworld Reman Conditions

- A. All used cores to be returned back to the BRC (Barloworld Reman Centre) within 30 days after receipt of New Remanufactured core. Failure to return and receive the core in the BRC within this time frame will result in a ZERO core credit and the Customer being charged the full amount with no credits applicable thereafter.
- B. Metal stands and covers - core to be returned to the BRC on the stand and with the shipping covers that the component was supplied with. (Cost to Customer if stand/covers are not returned).
- C. All fluids to be drained before return to the BRC.
- D. Transport Costs not included in the price.
- E. If any component is returned with missing or non-Caterpillar parts, then the replacement parts will be for the Customer's account.
- F. Final confirmation of the core credit will be confirmed at the BRC.

This quotation will be valid for 30 days from 30.06.2026

Yours Faithfully

The Quoted Price is valid for a period of thirty (30) days and is subject to adjustment as follows:

1. Rate of Foreign Exchange (ZAR/USD) variations, which will be reviewed quarterly (starting 1 February, 1 May, 1 August, 1 November of each year)
The rate of exchange used in the Quoted Price is based on the current parts blend rate _____ used for this quarter of the year.
The Quoted Price will consequently be adjusted quarterly to reflect the prevailing parts blend rate by the time of receiving the part on order from Caterpillar is applicable to all parts with an individual price of R 50,000.00 and above;
2. Estimated shipping dates upon confirmation from the supplier.
The adjusted price will be communicated to you in order for you to adjust your purchase order in accordance with the aforesaid terms.
The Quoted Price for parts ex-stock is fixed and firm, subject to prior sale. If out of stock at time of receipt of your purchase order this will be communicated to you in order for you to adjust your purchase order.

Upon submission of your unadjusted purchase order, you will be deemed to have accepted the current Price and Barloworld's Trading Terms and Conditions as supplemented by these terms. The conditions of purchase contained in your purchase order are not applicable.
